Education

Central Board of Secondary Education
Higher Secondary - 87.2

03/2024

ITM University Gwalior
Btech CSE - 8.35

08/2024 - present

Projects

Nexcode Frontend Website

10/2024 - 01/2025

- Designed and developed the frontend of the NexCode website with a responsive and user-friendly interface.
- Created interactive web pages to showcase events, resources, and community activities.
- Implemented responsive layouts and modern UI components to ensure compatibility across different devices.

Student Report Card Management System

08/2025 - 02/2026

- Developed a role-based report card management system with separate Teacher and Student modules.
- Implemented secure teacher authentication and student record management using CRUD operations.
- Added features such as report card viewing, class ranking, top scorer tracking, and subject-wise performance analysis.
- Integrated MySQL database using JDBC for efficient data storage and retrieval.

Task Automation System

03/2026 - present

- Developed a console-based task management application using Java and Object-Oriented Programming principles.
- Implemented features to add, update, delete, view, and mark tasks as completed using the Java Collections Framework (ArrayList).
- Designed a modular and scalable architecture for efficient task organization and management.

Certifications

- Java Full Stack Internship Credential

- Deloitte Australia Data Analytics Job Simulation
 - Cybersecurity Virtual Internship
 - Infosys springboard C programming
 - Java Kronos workshop 2025
-

Achievements

- Maintained 8.35 CGPA in B.Tech CSE.
 - Serving as Tech Lead, I'vent'O Club.
 - Member of GDSC Operations Team.
 - Built multiple Java-based projects including Student Report Card System, Task Automation System, and Expense Tracker.
 - Consistently practicing Data Structures & Algorithms and problem-solving.
-

Key Skills

- Java & Core Java Development
 - Data Structures & Algorithms (DSA)
 - Object-Oriented Programming (OOP)
 - Java Database Connectivity (JDBC)
 - SQL & Database Fundamentals
 - Git & GitHub Version Control
 - Frontend Basics (HTML, CSS, JavaScript)
 - Problem Solving & Logical Thinking
 - Software Development & Debugging
 - Project Design & Implementation
-

Interests

- Sports — Passionate about Cricket, Volleyball, and Badminton; enjoy teamwork and competitive environments.
- Music — Playing Guitar and exploring different music genres.
- Reading — Enthusiastic reader of fiction novels and stories.
- Entertainment — Enjoy watching web series and exploring diverse storytelling styles.
- Coding — Regularly practice programming and build software projects to enhance technical skills.
